

Ryan Harris

Junior Software Engineer

(714) 393-1626

eryanharris1@gmail.com

Phoenix, AZ

OBJECTIVE

Experienced and personable legal negotiator and self-taught software engineer with a track record of positive impact and a strong desire to learn. I am looking to leverage my motivation, integrity and curiosity to enter the software engineering field and pursue a challenging and rewarding career through meaningful and impactful contributions. I am committed to further developing my knowledge and skills within the software engineering ecosystem to further the mission of Tribute Labs while both learning from and supporting my teammates around me.
